

Scraper Light 160w-320w-500w

DAZZLED

Ideals GB can now offer an extensive range, made to order, of IP67 rated focused lighting. Unlike traditional LED Floodlights which whilst very bright, have a wide beam angle, therefore they do not throw any light a great distance. This has been overcome with the introduction of the Scraper Lights. These units use top quality Cree LED Chips and a 3.5 Degree Optic Beam arrangement. Call now for more information.

Specification	
Product Code	SW-72/72*2W-160W
Dimension(mm)	L1080xW145xH153mm
LED Quantity	72pcs
LED Power	72*2W
Rated Power	160W
Cool White Light Cast Distance	Max204m@14400Lm@50lux
Warm White Light Cast Distance	Max163m@14400Lm@50lux
RGB Light Cast Distance	Max102m@50lux
